

Nassau County Aquatic Center

Children's Swim Lessons

SPRING 2016

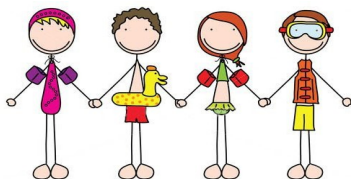

SAVE THE DATE!

**Date: Saturday,
February 13, 2016**

Time: 9:00 am
(Doors open 6:00 am)

Water temperature is held between 78-80 degrees. We **STRONGLY recommend** testing your child's tolerance of the pool temp. for 30 minutes **PRIOR** to signing up for lessons.

There will be **NO REFUNDS** given for water temperature intolerance.

Age Restrictions:

- **Infant/Toddler** classes: ages 6 mos-36 months
(each child must be accompanied in the water by an adult)
- **Swim with Me**: ages 3-4 years
(each child must be accompanied in the water by an adult)
- **Pre School Levels 1-3** classes: ages 3-5 years
- **Levels 1-6**: ages 6 & over
- **Teen/Adult Instruction**: ages 13 & over (Teen/Ad. Registration will be held 2/7/16)

**** NEW REGISTRATION PROCEDURES **** Please read thoroughly!

We will NOT be holding a lottery for swim lessons for the Spring session. Instead, we will have a 1-day first-come, first serve registration line for lessons.

CHILDREN'S SWIM LESSON REGISTRATION:

**** Saturday, February 13, 2016 – 9:00 am ****

(doors open at 6:00 am)

- * First come, first serve & must be done in-person. Places in line cannot be held for someone else. You will be issued a number when you arrive and will be called up to the desk.
- * Leisure pass required at time of registration. We cannot look up your Leisure Pass. Only a parent/guardian or grandparent may register the child—you may NOT register a friend.
- * Full payment due at time of registration (cash, check, Visa, Master., Amex.) No refunds or make-ups are allowed, so please make sure you are signing up your child for the correct level.

PRE-REGISTRATION

Pre-registration is recommended for new participants only. It does not guarantee you a spot in a class, however it will aid in making the day of registration go much quicker for you. It requires a Nassau County Leisure Pass, children's names and dates of birth, only. It's a quick process that you can do any time between now and the registration date. Must be done in person.

WATER TEST DAY

Sunday, February 7, 2016—9:00 am-11:00 am

We are holding a water test day to ensure your child enrolls in the correct swim level based on age and ability. It is free and open to anybody.
